Dear Jean

It was lovely to meet you on Tuesday, thank you again for inviting myself and Sara to WOMAC's annual event. It was a very enjoyable evening - we felt very welcome and the venue was fantastic!

Thank you very much for the terrific donation of £5000.00. We very much appreciate this generous contribution towards our MRD tests for adult patients, a small scale trial at the Royal Free Hospital. As you are aware, we do not receive any Government grants and are entirely dependent upon voluntary donations to fund this research; that is why we are so grateful for the support.

I look forward to speaking with you in the near future, with regards to possible future fundraising.

Yours sincerely
